Disclaimer

These presentations include certain forward-looking statements. The forward-looking statements are based on certain assumptions and information known by Telstra as at the date of these presentations.

The forward-looking statements are not guarantees or predictions of future performance and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of Telstra, which may cause Telstra's actual results, performance and achievements to differ materially from those expressed in, or implied by, the forward-looking statements. These factors include: general economic conditions in Australia, exchange rates; competition in the markets in which Telstra will operate; the inherent regulatory risks in the businesses of Telstra; the substantial technological changes taking place in the telecommunications industry; the ongoing impacts of the COVID-19 pandemic; and the continuing growth in the data, internet, mobile and other telecommunications markets where Telstra will operate. A number of these risks, uncertainties and other factors are described in the "Chairman & CEO Message", "Our material risks" and "Outlook" sections of our Operating and Financial Review (OFR). The OFR is set out in Telstra's financial results for the year ended 30 June 2021 and in Telstra's 2021 Annual Report which were lodged with the ASX on 12 August 2021 and 27 August 2021 respectively, and are available on Telstra's Investor Centre website www.telstra.com.au/aboutus/investor.

In addition, there are particular risks and uncertainties in connection with the implementation of the Telstra 2025 strategy (T25), including the response of customers to changes in products and the way we interact with them as we move to a digital operating model; the risks of disruption from changes to the ways we work; that detailed business plans have not been developed for the entirety of the strategy and the full scope and cost of T25 may vary as plans are developed; Telstra's ability to execute and manage the elements of T25 in a sequenced, controlled and effective manner and realise the planned operational synergies, cost savings and revenue benefits. There are also risks and uncertainties in connection with the proposed legal restructure announced on 22 March 2021.

Telstra does not provide financial guidance beyond the current financial year. Telstra's financial ambitions to FY25 (in particular for its Underlying EBITDA and Underlying ROIC by FY23) and FY25 outcomes are not guidance and there are greater risks and uncertainties in connection with these ambitions. The indicators provided in this presentation of FY25 outcomes and FY25 financial ambitions, are provided to illustrate some of the outcomes which management is currently focused on delivering across the short to medium term. Each item and action is subject to a range of assumptions and contingencies, including the actions of third parties.

Investors should not place undue reliance on the forward-looking statements. To the maximum extent permitted by law, Telstra gives no representation, warranty or other assurance in connection with, and disclaims all responsibility for, the accuracy and completeness of the forward-looking statements, whether as a result of new information, future events or otherwise.

The assumptions underlying and the basis upon which we have provided our FY22 earnings guidance is set out on the slide "FY22 guidance". Defined terms are set out on the slide "Glossary".
