- Wife Pension, card code WFA, WFD, WFW
- Youth Allowance (with either a partial capacity to work between 15-29 hours per week or who are a single principal carer), card code YAL

2.5 You have to give us:

- (a) your name, date of birth and postcode; and
- (b) your customer reference number for Centrelink or the Department of Veterans' Affairs.

2.6 By applying for this plan, you consent to us disclosing those details to Centrelink from time to time to determine whether you have a valid Pension Concession card. If you revoke this consent, you are not eligible to receive this plan.

2.7 You must tell us if your circumstances change.

2.8 Alternatively, to be eligible for this plan you must have a Telstra home phone service (and no fixed/home broadband service) and take up a Telstra fixed/home broadband

### Part B – Current Home Broadband Plans

service for the first time or hold and maintain a valid Seniors Card obtained in your State or Territory.

#### Changing/cancelling your plan

- 2.9 You can change to another plan within your plan range once a month while the plan range remains available to new Telstra customers.
- 2.10 There are no Early Termination Charges if you cancel your plan. However, you will need to payout the remaining cost of your Telstra Wi-Fi Modem (if you received a modem included in your plan) if you cancel your plan within 24 months of connecting, and any outstanding Hardware Repayment Option repayments will be payable in full.
- 2.11 If you cancel your home phone, or home broadband, or transfer one (or more) of these services to another service provider, your plan will be cancelled.

#### Home Broadband Plan Add-on

- 2.12 The following add-on is available to all Current Home Broadband Plans:

<b>International Ultimate Calling Pack</b>	\$15/mth
You will receive unlimited calls to fixed lines in 35 destinations and to mobiles in 17 of these destinations. Destinations and rates are set out at <a href="http://telstra.com.au/international-rates">telstra.com.au/international-rates</a>	

#### Superfast and Ultrafast Add-ons

- 2.13 The following Superfast and Ultrafast Add-ons are available to customers on a Premium Internet plan (see section 2.2 for pricing and details of the Premium Internet Plan) with an eligible connection type:

	Superfast Add-On	Ultrafast Add-On
<b>Availability</b>	From 29 September 2020 until further notice	From 29 September 2020 until further notice
<b>Plan option</b>	Casual (month to month) only	
<b>Monthly price of Add-on</b>	\$25	\$60

# Our Customer Terms

## Home Broadband Plans Section

### Part B – Current Home Broadband Plans

<b>Total Monthly price (including Premium Internet plan monthly price)</b>	\$135 (\$110 for Premium Internet plan + \$25 for Superfast Add-on)	\$170 (\$110 for Premium Internet plan + \$60 for Ultrafast Add-on)

<b>Eligible connection type</b>	FTTP and most HFC connections only	FTTP and a small number of HFC connections only
<b>Speeds</b>	Details regarding the typical evening download speeds included in this Superfast Add-on are <a href="#">available here</a> .	Details regarding the typical evening download speeds included in this Ultrafast Add-on are <a href="#">available here</a> .
	An nbn™ service can never go faster than the maximum line speed available at your premises. Speeds can vary due to a range of factors, including the access type, maximum speed of your broadband plan tier and your service provider's network capacity. See <a href="https://telstra.com/nbn-speeds">telstra.com/nbn-speeds</a> .	
<b>For personal/ordinary domestic use only</b>	<p>These Add-ons are for personal/ordinary domestic use only.</p> <p>You must not use them in a manner that a reasonable person would not regard as being personal/ordinary domestic use, or in a manner that causes significant interference with, disruption to or congestion on our network.</p> <p>Examples of conduct that Telstra considers to be non-personal/ordinary domestic use include:</p> <ul style="list-style-type: none"> <li>(a) maximising use of bandwidth to gain publicity or notoriety;</li> <li>(b) using your service to defame, harass or abuse anyone or violate any person's privacy;</li> <li>(c) using your service in a manner designed to disrupt or compromise the security or performance of any system or network; and/or</li> <li>(d) using your service to distribute or make available obscene, offensive or illegal material.</li> </ul>	

### Part B – Current Home Broadband Plans

	<p>We may monitor and review your use of these Add-ons to make sure it complies with this provision. We'll do so in accordance with our privacy statement. This may include verifying that your use of them is for personal/ordinary domestic use, as well as getting in touch to talk about your usage. If we ask you to, you must provide us with an explanation about your usage within a timeframe we reasonably set.</p> <p>If you fail to provide us with a satisfactory explanation, or if you otherwise breach this provision, we may take remedial action including:</p> <ul style="list-style-type: none"><li>(a) for a serious breach, immediately terminating or suspending your service;</li><li>(b) for a non-serious breach where the consequences are serious, immediately terminating or suspending your service;</li><li>(c) for all other breaches, immediately suspending your service and then terminating the service if you do not remedy the breach;</li><li>(d) if your service involves us publishing, hosting or making available material or content provided or selected by you, removing or disabling access to that material or content;</li><li>(e) giving you a notice to stop the activities or conduct, or to take steps to remedy your breach;</li><li>(f) giving you a warning that any further repetition of the activity or conduct will result in us immediately terminating or suspending your service; and/or</li><li>(g) reporting of the activities or conduct to relevant authorities.</li></ul> <p>We will try to tell you before we terminate or suspend your service if it is reasonably possible for us to do so.</p> <p>For the avoidance of doubt, your personal/ordinary domestic use of these Add-ons will not breach this provision. For example, a high level of personal/ordinary domestic use of an Add-On service with no data limit will not be a breach of this provision.</p>
--	--

### Part B – Current Home Broadband Plans

#### 3 Home Broadband Plan inclusion details

3.1 Your Home Broadband Plan includes some or all of the following as indicated in section 2 above:

Inclusion	Description and terms
<b>Home broadband service</b>	<ul style="list-style-type: none"> <li>If your plan doesn't include unlimited data and you exceed your monthly data allowance, the speed of your service will slow to 256Kbps until your next billing cycle starts.</li> </ul>
<b>International calls</b>	<ul style="list-style-type: none"> <li>All plans in the Internet Plans range include International Plus Rates.</li> <li>Destinations and rates included in the International Plus Rates are available at <a href="http://telstra.com/international-rates">telstra.com/international-rates</a>.</li> </ul>
<b>Internet Optimiser</b>	<ul style="list-style-type: none"> <li>Internet Optimiser lets you choose how traffic in your home network should be prioritised when its busy, so real-time activities like online gaming or video calling will take precedence over other household use.</li> <li>Once added to your service via MyTelstra, it runs on your Telstra Smart Modem and preferences can be customised using a web portal.</li> <li>In order to add on Internet Optimiser, you must have: <ul style="list-style-type: none"> <li>an existing Telstra nbn fixed line broadband plan (incompatible with Fixed Wireless, 5G Home Broadband, ADSL and Ultrafast speed add-on)</li> <li>a compatible modem (Telstra Smart Modem Gen 1.1, Gen 2.0 or Gen 3) connected to the nbn network</li> </ul> </li> </ul> <p>Full terms and conditions for Telstra Internet Optimiser are set out in <a href="#">Part H – Internet Optimiser</a></p>
